- B. **Deadline for submitting proposals: December 21, 2020**
- C. **Delivery Method for submitting proposals:** E-mail bids to michele.ureste@winintelligence.org. In email subject line, please include: "Proposal for RapidSkills Generator Upgrades and Enhancements"
- D. **Right to reject:** WIN reserve the right to reject any and all proposals received in response to this RFP in the event funding becomes unavailable or other unforeseeable circumstances occur. A contract for the accepted proposal will be based upon the factors described in this RFP and may include any or all parts of the proposal.
- E. **Contract period**
The contract period will not extend beyond March 31, 2021.
- F. **Contract and Payment Schedule**
Upon receipt of competitive quotes, WIN will select a vendor, develop a contract proposal, and set contract terms, including a payment schedule. Any services and deliverables executed under this contract will be paid on a reimbursement basis only. This is not an RFP for a retainer contract. All billing must reflect actual work completed. WIN requires that all services are listed within bidder proposals showing hourly rates for each individual service. (Additional details and requirements listed in Section 4: Proposal Requirements.)
- G. **Notification of Award:** It is expected that a decision selecting the successful bidder will be made within one (1) week of the closing date for the receipt of proposals. Upon conclusion of final negotiations with the successful bidder(s), all offerors submitting proposals in response to this Request for Proposal will be informed, in writing, of the decision. Please do not contact WIN to check the status of proposals.

SECTION 2: STATEMENT OF PURPOSE AND WIN VENDOR ROLES

The **Workforce Intelligence Network for Southeast Michigan (WIN)** is issuing this request for proposal seeking a web developer to assist with upgrades and enhancements to www.rapidskillsgenerator.org.

About WIN:

The Workforce Intelligence Network for Southeast Michigan (WIN) is a partnership of eight community colleges and six Michigan Works! Agencies in southeast Michigan. WIN's mission is to help cultivate a cohesive talent system by facilitating data-driven workforce solutions to ensure responsiveness to changing labor market demands. WIN specializes in fostering collaboration among talent partners, including workforce development, community colleges, four-year postsecondary institutions, K-12 schools, economic development organizations, government, community-based organizations, employers, and others.

Websites managed/owned by WIN that are included in this RFP:

-Advance Michigan Center for Apprenticeship Innovation – www.rapidskillsgenerator.org

WIN and vendor roles and responsibilities

WIN will own the rights to all intellectual property created before and after the award of this RFP including, but not limited to, websites domains, database infrastructure, designs, and content. WIN requires the ability to update and change web content and design with assistance from the vendor as needed. Upon expiration of an executed agreement, or if the agreement is terminated by either party, WIN will have the ability to change vendors with timely transfer of website hosting and maintenance with no transfer cost to WIN.

WIN responsibilities will include:

- Serve as the primary owner of infrastructure and data
- Serve as the primary contact of website and be responsible for decisions made about the site development
- Serve as the project manager of all activities conducted on website – all activities performed by the selected vendor will be under the direction of WIN staff
- Provide direction for all web development and web editing needs

Vendor responsibilities will include:

- Fulfillment of contract terms for the entire scope of work listed in this RFP or for select project items
- Web hosting, site security and availability, any needed SSL certificates, and backups
- Participation in meetings to discuss ways to simplify the user experience of adding occupation frameworks to the RapidSkills Generator website
- Work with the WIN team and, at times, other WIN partners regarding the project(s)
- Provide training to the WIN team regarding use of the sites and products created/maintained
- Set a schedule for weekly meetings as necessary with WIN staff to review website goals, strategies, updates and analytics
- Ensure the site functions well with all customary web browsers on desktop, mobile devices, and others. All pages must incorporate responsive web design.
- Assign a single lead point of contact for the WIN account and projects.
- Design and develop Home, How it Works, and About pages for the Rapid Skills Generator website
- Write copy for the Home, How it Works, and About pages for the Rapid Skills Generator website
- Create an editable frontend interface that allows WIN staff to easily edit text and images for the Home, How it Works, and About pages of the Rapid Skills Generator website
- Create a demo video that clearly illustrate the functionality of the application, with a recorded voiceover
- Conduct and implement SEO best practices to the website
- Allow Work Skills to be organized by type. Types will include:
 - Competency-Based
 - Skills-Based
 - Hybrid / Both
- Allow Work Skills to be organized by Occupation, utilizing checkboxes
- Allow Work Skills to be searched using predictive text and AJAX
- Build a backend interface for admins to add apprenticeships
- Allow the following meta types to be added to the data:
 - O*Net Code (text input, displays as text on the frontend)
 - Rapid Code (text input, displays as text on the frontend)
 - Estimated Hours (calculated based on hours assigned to Skills or Competencies)
- Allow admins to add as many categories of Skills or Competencies as they want to a Work Skill / Apprenticeship
 - Categories can have unlimited Skills or Competencies added to them
 - Each Competency Category will have a number of hours assigned to it.
 - Each Skill category will have hours assigned to the individual skills

- Allow Favorites to be added by the frontend user
- Allow users on the frontend to create new Work Skills / Apprenticeships by creating them from scratch or duplicating existing entries
- Import current Work Skills / Apprenticeship data into the software

SECTION 3: SCOPE OF WORK & DELIVERABLES

All WIN initiative sites, future sites, and products developed with the selected vendor will be owned by WIN. The partners who contribute content will not have direct access to the sites to make changes but will go through WIN to do so. The list of projects below requires that the vendor examine the current websites.

Under the supervision of WIN staff, the selected contractor will work to accomplish the following WIN web services deliverables.

Deliverables:

1. Deliverables for MiApprenticeship.org

- a. General enhancements to improve the user experience of adding occupation frameworks to www.rapidskillsgenerator.org
- b. Since the website was already developed once, this project is a limited scope of redesign/update to improve the way that information is accessed and updated
- c. Improve functionality and usability of site
- d. Security Updates

Proposals should include a statement that all Intellectual Property rights will be owned by WIN and that other work may be added to the contract upon a mutually signed agreement. Proposals should also include a commitment to open communication with WIN about delivery dates, launch dates, and any contingency plans should delivery dates need to be adjusted.

All proposals to this RFP should also include itemized pricing (the hourly rates for each) for the above work as well as bundled pricing options that could provide any cost savings. Responses should be organized by main topic area listed above. If the proposal does not include the above noted statements and pricing structure breakdown, the proposal may be disqualified from the bidding process.

SECTION 4: PROPOSAL REQUIREMENTS

Proposal Format:

In order for a proposal to receive funding consideration, the application included in this packet must be answered completely. Proposers should take care in following the format of the application. Use narrative and/or include attachments where requested. Adherence to this format is essential since evaluation criteria is based on the structure of the RFP. Failure to follow the requested format could result in the disqualification of your proposal.

Proposals should be prepared as simply as possible and provide a concise description of the bidder's capabilities to produce aforementioned deliverables. The proposal should be no longer than fifteen (15) pages total and include the following:

1. Cover page (form included in RFP)
2. Executive summary

3. Past performance and experience
4. Description of deliverables
5. Staffing and working with WIN
6. Timeline
7. Total cost
8. Completed bidders signature sheet (form included in RFP)
9. Completed Risk Assessment questionnaire (form included in RFP)

Bid Review Process

The application is a preliminary mechanism used to determine the suitability of a service provider for funding. The review process involves:

A. Preliminary Screening

To be considered for funding you must complete the entire application. Based on your response, an evaluation team will determine whether further consideration of the application is warranted.

B. Follow-up / Fact Finding Documentation

Upon analysis of your completed application and budget, you may be asked by /WIN to submit additional information or details to the evaluation team. You may also be asked to provide a presentation or demonstration of your organization's abilities to successfully fulfill the proposal requirements.

C. Evaluation Process

Proposals will be scored using a pre-determined scoring matrix by a formal evaluation committee. Vendors with the top proposals may be asked to participate in an interview or asked to provide further information/clarification. Recommendations from WIN will be made for final approval.

Proposal Content and Evaluation

Based on information submitted, your suitability to deliver service will be rated in the following manner:

- **Past performance and experience: 25 points maximum**
Please provide an organizational overview of experience, links to relevant products (past and present) and otherwise demonstrate the credentials and capacity to perform the desired work and achieve identified goals. Provide 3 references from past contracts of similar work. Please provide the same information for any individuals or businesses outside of your own organization that will be contracted for any portion of this project.
- **Description of deliverables: 20 points maximum**
Provide a description of how your organization intends to fulfill the scope of work and deliverables associated with this project. Describe how your approach will meet the expectations identified in the previous sections. Indicate if any work will be contracted to other organizations.
- **Staffing and working with WIN: 15 points maximum**
WIN expects the service provider to have professional staff presently in their employ who have credentials (education and/or experience) and capacity to perform the required services. Clarify what is expected of WIN staff and what is expected of the vendor for a successful partnership and describe management of the ongoing process for making improvements to these sites. In addition, provide description of the firm, including professional qualifications of the principals involved in administering the project including names, titles, and role in the project plus their specific experience. Do not include the resumes and professional qualifications for individuals who will not be assigned to the project.

○ **Timeline: 15 points maximum**

Provide a timeline for migration and update of the sites. Bidders should provide a timeline of activity for deliverables following award of the contract. Provide a list of any assumptions made regarding the timeline.

○ **Total Cost: 25 points maximum**

Since the basis of the award to service providers is a competitive process, WIN expects to fund the bidder who delivers the best quality of service at the most cost-effective price. Proposers must submit the expenses related to producing each of the items identified in the scope of work/deliverables including the hourly rates.

If you are a private-for-profit organization, you must identify the amount of profit that is being charged.

Funding may be requested to cover costs in two general categories:

- Administrative costs refer to salaries, wages, fringe benefits and related costs of the overall program management, program coordination, and general administrative functions.
- Program costs refer to all costs not attributed to administrative costs. This can include costs such as travel, registration fees, meeting fees, etc.

This is a reimbursement only project, meaning that WIN is not authorized to pay in advance for work that has not been completed. WIN can only pay for completed work.

Evaluation Scoring

Past performance & experience	25
Description of deliverables	20
Staffing and working with WIN	15
Timeline	15
Total Cost	25
Total Points	100

SECTION 6: General Terms and Conditions

Selection of Service Provider

WIN will comply with all federal and state mandates governing contractor selection including federal guidelines 2 CFR 200. Due to the potential funding source for WIN, contractors are required to abide by the same standards and regulations (2 CFR 200).

To be considered for funding, contractors must have:

1. Adequate financial resources or the ability to obtain them;
2. The ability to meet program design specifications at a reasonable cost;
3. A satisfactory record of past performance; and
4. A satisfactory record of integrity, business ethics, and fiscal accountability.

Grievance Policy

WIN subscribes to the policy of equal opportunity and as such, maintains a formal grievance procedure to handle complaints of customers and service deliverers. Adherence to the same is acknowledged by acceptance of a contract from WIN.

Protest Procedures

WIN shall follow appropriate protest procedures in the event the awarding of bids is questioned or challenged. These procedures will be advertised as part of the RFP process and will be available at any time upon written request.

An individual, company or organization not in agreement with the awarding of a bid shall submit a written protest to the Executive Director of WIN, within five business days of awarding a bid. If the vendor has not been notified prior to WIN's receipt of protest, the notification will be held pending resolution of the protest.

WIN shall review the protest and respond to the protest in writing within 10 business days of its receipt. If the complainant is not satisfied with the response they may appeal it to WIN. If an agreement is still not reached the complainant shall obtain, at their expense, an arbitrator that is acceptable to all parties. The appointed individual will evaluate all information and make the final decision.

Profit

Public and private nonprofit entities will be required upon the completion of a contract to report their actual operational costs of the contract to WIN by line item. If WIN has paid the public or private nonprofit entity more than the actual operational costs, the entity must return all revenues in excess of costs to WIN.

Further, a private-for-profit entity must identify profit (fees or other revenue in excess of actual costs) in their line item budget, in accordance with federal mandates that require assurances that profit is reasonable and allowable, WIN require profit be based on the net cost of the contract, not to exceed 10%.

WIN reserves the right to allocate profit, fees, or other revenues in excess of actual costs to one or both cost categories in proportion to actual costs incurred attributable to each category.

Right to Refusal and Proposal Preparation Costs

This preliminary application does not commit WIN to award a contract, or to pay any costs incurred in the preparation of a proposal submitted in response to this request or to procure or contract services or supplies. This includes any demonstration and/or interviews that are part of the proposal process. WIN reserves the right to accept or reject any or all proposals in part or in their entirety if it is in the best interest of WIN to do so.

System Awards Management Registration (SAM)

WIN will require the proposer selected to register under the federal government's System Award Management, accessible by visiting SAM.gov. This registration must be complete and the organization must be searchable on the site prior to contract execution.

Right to Negotiate

WIN will require the proposer selected to participate in negotiations and to submit any price, technical, or other revisions of their proposals as may result from negotiation.

Right to Request Additional Information

WIN reserves the right to request any additional information that might be deemed necessary after the completion of this document.

System Design Costs

The successful bidder shall be responsible for all design, information gathering, and required programming to achieve a successful implementation. This cost must be included in the base bid.

Pricing Eligibility Period

All vendor proposal bids are required to be offered for a term not less than **120** calendar days in duration.

Additional Charges

No additional charges, other than those listed in the proposed cost breakdown, shall be made. Prices quoted will include verification/coordination of order, all costs for shipping, delivery to all sites, unpacking, setup, installation, operation, testing, travel, cleanup and training.

Federal or State Sales, Excise, Or Use Taxes

Owner does not pay sales use tax. All other taxes, fees, permits and shipping costs, etc. shall be included.

Contract Requirements

WIN considers this RFP legally binding and will require that this RFP and the resulting awarded vendor Proposal and any amendments be included as addenda to any subsequent contracts between the Vendor(s) and WIN. It should be understood by the Vendor(s) that this means that the Owner expects the Vendor(s) to satisfy substantially all requirements and reports listed herein. Exceptions should be explicitly noted in the Vendor Proposals. Lack of exceptions will be considered acceptance of all of the specifications as presented in this RFP.
